The screenshot shows the National Cheng Kung University Course Catalog website. The browser address bar displays '140.116.165.74/qry/index.php?lang=en'. The page title is '國立成功大學課程查詢系統 National Cheng Kung University Course Catalog'. The main content area shows a table titled '105 Academic year 1 Semester Course Catalog'. The table has columns for Dept./Inst. Name, Dept./Inst. Code, Serial Number, Course Number, Class Code, Class, Year, Category, group, Course taught in English, Course Name, Objective/Required, Credits, Instructor, Selected, Space Available, Schedule, Classroom, Remarks, special conditions for course selection, Industry Experts Co-teaching, Attribute Code, Certificate program in interdisciplinary, and Moocs. The 'Course Name' column is highlighted in purple, and the 'Dept./Inst. Code' and 'Serial Number' columns are circled in orange. The 'Course Number' column is crossed out with a red X. The table lists several courses, including 'CALCULUS(1)', 'GENERAL CHEMISTRY', 'CHINESE(1)', and 'ENGLISH(1)'. The 'Remarks' column contains information about department buildings and course numbers.
